Whigham, Georgia 39897

November 15, 2023

Greetings Vendors, Friends, and Visitors,

We are looking forward to the Whigham Rattlesnake Roundup 2024. It will be a time for families and friends to get together and enjoy the day.

We have been keeping the same date for the past few years. The first Saturday in March, for our yearly event Rattlesnake Roundup will be on Saturday, March 2, 2024. Our Roundup does not include the catching of snakes by the Whigham Community Club. Rattlesnakes will be on display and educational programs will be held throughout the day. Jason Clark, Southeastern Reptile Rescue will be featured along with the Department of Natural Resources, Quail Forever, and Southeastern Reptile Rescue to provide the best Educational environmental information to those attending the festival.

All vendors are encouraged to participate. The event is held outside with food, entertainment, arts and crafts, demonstrations, and music. Every responsible and family centered participating vendor will be providing the best festival for South Georgia and surrounding states. Vendor registration forms are attached. Online information can be found at [www.rattlesnakeroundup.com](http://www.rattlesnakeroundup.com) or Facebook Whigham Rattlesnake Roundup.

The goal since 1960 has been for the Whigham Community Club to bring to the local area a family event of fun, food, and fellowship. Your success as a vendor helps us in turn provide programs to support our community, and primarily our youth. We thank you for your participation and look forward to seeing you March 2, 2024.

Sincerely,

*Whigham Community Club*
