

We are excited for the upcoming 2026 Whigham Rattlesnake Roundup. It will be held on Saturday, March 7, 2026, at the Rattlesnake Roundup Grounds, Whigham, Georgia. For over sixty years the Whigham Community Club has held the festival providing a fun-filled day for all ages.

Rattlesnakes will be on display and educational programs will be held throughout the day. Jason Clark, from Southeastern Reptile Rescue, along with the Georgia Department of Natural Resources, Southeastern Reptile Rescue, Rattlesnake Conservancy and other educational vendors will have reptiles and displays. Enjoy music provided by local artists, food and drinks, carnival rides, and over one hundred arts and craft vendors.

Our goal is to provide a safe family fun event. We hope to have a record number of attendees, vendors, arts and crafts, food and entertainment. Vendor registration forms are attached, or you can find more information on our Facebook page or Instagram.

The success of the Rattlesnake Roundup provides support for programs in our community and schools. The Whigham Community Club thanks you for your participation and looks forward to seeing everyone in March 2026.
